There was a discussion about this case and what the community could do to help the victim and make sure that the offender serves time for this crime and is not released back into the community. SSCO has been in touch with the County Attorney’s office about this case and will submit a community impact statement. <p>SSCO’s monthly chronic offender update featured cases involving:</p> <ul style="list-style-type: none"> ▪ Darryl Brooks: 6/24/09 consuming alcohol in public, trespassing, littering, and fleeing police on foot at 1801 LaSalle Ave. ▪ Michael Rogan: 6/11/09 possession of drug paraphernalia and loitering with intent to buy or sell narcotics at 2200 3rd Ave. ▪ Joseph Conklin: 6/25/09 open bottle at Franklin & Lyndale; 6/30/09 domestic assault at Franklin & Nicollet. ▪ Vosiney Wiley: 6/24/09 consuming alcohol in public, possession of drug paraphernalia, violating conditions of release, and criminal contempt of court at Franklin & Clinton. ▪ Judy Peters: 6/24/09 consuming alcohol in public at 22nd & Nicollet; 6/24/09 consuming alcohol in public at 24th & Nicollet. 	<p>Contact SSCO to receive a printed or e-mailed copy of the monthly chronic offender update, which features the outcome of court cases resulting from arrests in the area along with the names of the sentencing judges and mugshots of the offenders.</p>

<p>Safety coordinator report</p>	<p>The coordinator met with Council Member Lilligren on 7/20 to discuss the status of the action items identified at the 4/1 meeting of the Alcohol task force.</p> <ul style="list-style-type: none"> ▪ The feasibility study for a police safety/security camera system for Nicollet Ave is not finished. Business Information Services staff expects to complete the development of its video strategy and be able to award or implement new video projects by the end of September. SSCO has confirmed its continued interest in the project and the area of the feasibility study, which is Nicollet Ave from 18th St to 22nd St. ▪ SSCO has provided mugshots and information about chronic alcohol offenders to Franklin Nicollet Liquor. ▪ Robert Fischer has compiled spreadsheets and charts indicating the times of day during which arrests for alcohol offenses occurred in 2008. ▪ A number of other items are stalled. Starbucks Coffee is not yet actively involved with the community in dealing with the issues at and around their business. The 5th Precinct, for a number of reasons, has not yet conducted a CPTED study of the Franklin & Nicollet area. The proposal to educate the public, businesses, and offenders about the aggressive panhandling ordinance has not proceeded. It appears that St Stephen's street outreach workers have not targeted Franklin & Nicollet. <p>To address some of these action items, Lilligren has suggested organizing a separate meeting for neighborhood businesses prior to the next task force meeting, which, due to possible changes at the 5th Precinct and the timeline for the feasibility study, probably will not be scheduled until at least October. SSCO will make additional efforts to follow up on the items which remain unaddressed. There was a suggestion that the City find out whether federal stimulus money could be used to implement the camera system for Nicollet Ave.</p>	<p>Contact info: dave_ssko@yahoo.com 874-2840</p>
<p>Election of two committee co-chairs for the upcoming year.</p>	<p>The coordinator explained the duties and responsibilities of the co-chairs and the election procedures, and conducted the election. There were two candidates for co-chair: Michele McGaughey and Ken Strobel. On a motion by Howard Penas, seconded by Jay Damberg, the committee suspended the rules and elected Michele McGaughey and Ken Strobel co-chairs by acclamation. The co-chairs will serve a one-year term.</p> <p>The committee discussed how to select a representative to be appointed to the Board of Directors to represent its interests. The coordinator asked whether the committee wanted to conduct another election, since the person filling this position does not need to be a co-chair. After further discussion, the coordinator asked how many members were interested in this position. Only one person expressed interest: Ken Strobel, who stated that he is already an elected member of the Board and is willing to represent the interests of the Safety committee. On a motion by Jay Damberg, seconded by Michele McGaughey, the committee recommended that the Board of Directors accept Ken Strobel as the Safety committee's representative on the Board.</p> <p>There was a suggestion that staff arrange a meeting of committee members to discuss and develop of list of priorities and plans for the upcoming year, which could be presented to the committee at its 8/27 meeting. The committee agreed to this plan. The Board is interested in ways to get more residents involved in the activities of all SSCO committees.</p>	

Other business	<p>There was further discussion of the 7/6 criminal sexual conduct incident (see the Priority Concerns agenda item above regarding Stacy Lee Robertson) and its effects on the victim and the community. The case is set for a pre-trial hearing on 7/27.</p> <p>There was a suggestion that the committee look at 1) how domestic assaults affect the wider community, not just the people immediately involved, and 2) how community members can respond to those crimes, such as by calling 911 to report incidents in progress and posting information about how victims can seek help by contacting organizations like the Domestic Abuse Project. SSCO's crime reports only document domestic assaults which occur in public, although staff will often bring other reports to the attention of property managers. The issue is that an assault which occurs in the privacy of a victim's and/or perpetrator's home is not truly private because of its effect on other members of the community, who have a responsibility to respond.</p>
